## To REGISTER

Complete the registration form online at [beebestlearning.com](http://beebestlearning.com).

Or, come into our office and a staff member will help you with the online registration process.

## WHO WE ARE

### After School Program

Bee Best Learning Center is primarily an after school academic enrichment program intended for children grades K-8th. Our after school program includes homework help, Mandarin Chinese, and additional math and English practice to help students improve their academic skills. On Fridays, students enjoy indoor games, play outside, and watch a video. If your child needs to be picked up from local Castro Valley schools, we can help coordinate transportation.

### Private Tutoring and Workshops

Throughout the school year, we provide private one-on-one tutoring in a variety of school subjects, including general math, algebra, and language arts. Also, several special workshops are offered for additional fees. These workshops may include weekly chess instruction, drawing classes, math champion, LEGO building adventure and public speaking classes.

### Summer Program

We have Discovery and Technology summer camps which are available in separate one-week sessions. Our objective is for students to experience continued learning during the summer weeks while also having the opportunity to engage in fun and energetic activities.

## Bee Best Learning Center

20394 San Miguel Avenue

Castro Valley, CA 94546

(We are located across from the Adobe Art Center & Park and next to Alameda County fire station)

2020 SUMMER CAMP

## DISCOVERY SUMMER CAMP

(3, 4, or 5 full-days per week, 7:30 am - 6:30 pm)

Includes our academic curriculum in the mornings with enrichment classes and fun activities in the afternoons for students entering grade K-8 in fall 2020.

The academic curriculum consists of mathematics, reading/grammar, and a foreign language (choose Spanish or Mandarin Chinese). The enrichment classes include science projects, building activities, storytelling, and brain boosting games/activities. The fun activities include crafts, sports, food creations, painting, origami, and outdoor play. Every Friday will have a visit from a professional entertainer or a bounce time in a jump house. Friday is a fun theme day which includes special activities, games, and trivia as well as a student talent show and an afternoon movie.

### OPTIONAL FIELD TRIP

(Grade 3-8 on Wednesday mornings)

Spot are limited to the first 20 students that sign up and pay an additional small fee (\$5-25) for that week. Locations include miniature golf, bowling, Pump It-Up, laser tag, movie theatre, & more.

## TECHNOLOGY SUMMER CAMP

(5 days per week, 9:00 am - 12:00 pm camp only, with optional extended care from 7:30 am - 9:00 am and/or 12:00 pm - 6:30 pm)

In collaboration with Tri-Valley Snapology, these LEGO® themed camps are designed to promote creative play, teamwork, and social skills. Through the use of popular topics like Star Wars™, Minecraft™, and Ninjago™, students are engaged in a variety of theme focused activities while learning engineering and math principles as they put purpose to their building through blueprinting and idea sharing.

### Camps for students entering Grade K-5

Week 2: 6/8-6/12 Ninjago™ World  
Week 4: 6/22-6/26 Star Wars™ Adventures
