

## Instruction on How to use iEnroll Children Curbside Pickup App

<p>1.</p>  <p>On your mobile phone, go to your web browser and type: <a href="http://app.i enroll.co">app.i enroll.co</a></p>	<p>2.</p>  <p>Sign in with the same username &amp; password that you used during the latest online registration. You can save your password for future login using the face ID. <i>(NOTE: we can only use one username at this time so you have to share your login information if both parents or other guardians will pick up the child.)</i></p>
---	--

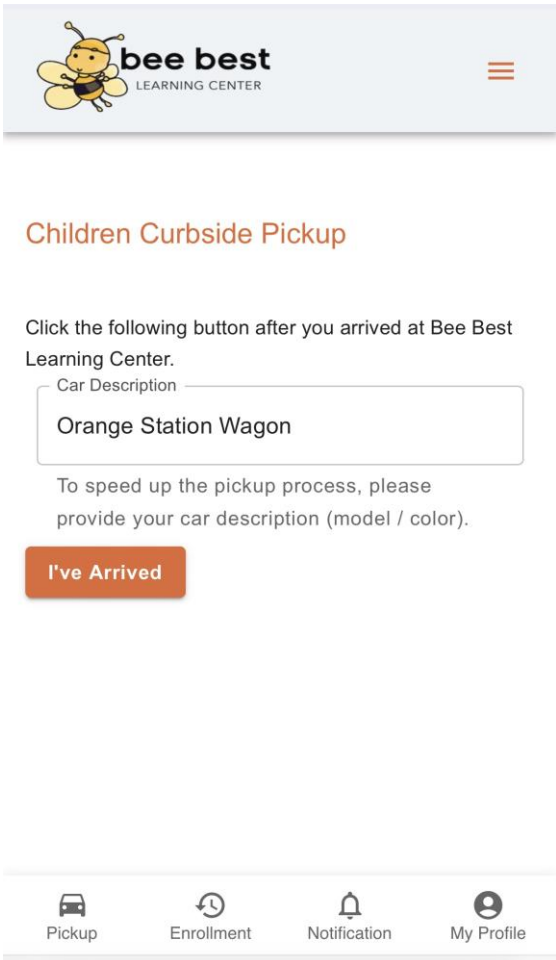

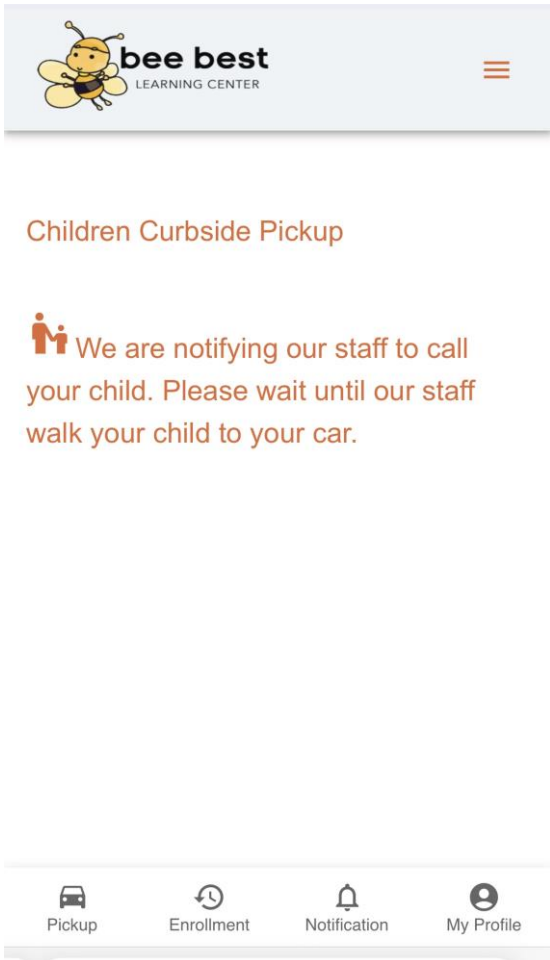

3.

4.

- Put a checkmark on “Select which children for pick up” (the name of your child(ren) will be displayed).
- Type in the “Car Description” (color and model of the car). This is used to help our staff quickly identify which car they should escort or direct your child(ren) to go to. (Note that this description will be saved on your device so next time you do not need to retype the same information again unless you switch cars).
- Select “Estimated Arrival Time” (choose one of “Right now, 5 minutes, 15 minutes, or 30 minute”s).
- Click “Submit”.

<p>5.</p>  <p>Children Curbside Pickup</p> <p>Click the following button after you arrived at Bee Best Learning Center.</p> <p>Car Description</p> <p>Orange Station Wagon</p> <p>To speed up the pickup process, please provide your car description (model / color).</p> <p>I've Arrived</p> <p>Pickup Enrollment Notification My Profile</p> <p>Click "I've Arrived" button when you have already arrived in Bee Best parking lot queuing towards the curb near the lobby door.</p>	<p>6.</p>  <p>Children Curbside Pickup</p> <p>We are notifying our staff to call your child. Please wait until our staff walk your child to your car.</p> <p>Pickup Enrollment Notification My Profile</p> <p>The last screen will display "We are notifying our staff to call your child. Please wait until our staff walk your child to your car."</p>
--	---

To expedite for future pick up, you can add the page ([app.i enroll.co](http://app.i enroll.co)) into your mobile phone's Home Screen and save your password.
