## **Inform our Drivers**

Out of courtesy, ***please remember to call or message both your child's driver and Ms. Jing on EACH day your child does not need to be picked up AND submit the absence notification form using the Bee Best App.*** This reduces any concern and does not cause unnecessary delays for the driver and other students. Also, please remember that the driver pickup fee is fixed for the month (based on the number of school days in session) since the driver must reserve that seat for your child even during your family vacations and sick days.

## **Extracurriculars Drop Off Transportation Request**

**Starting Monday, September 15<sup>th</sup>**; Bee Best Learning Center offers limited space (6 seats) per 30-minute time slot for a free extracurricular drop-off daily from Monday through Friday after 4:30pm to 6:00pm and forward to Castro Valley

locations within a mile radius from our center. Please sign up and submit [Extracurricular Drop Off Transportation Request Form](#) to [info@beebestlearning.com](mailto:info@beebestlearning.com) or drop at our front desk. NOTE: If your desired location is ***not*** on this list, please speak with Director Jing ***before submitting*** the request form. Deadline is Monday, September 15<sup>th</sup>.

NOTE: Once you have signed up for extracurriculars drop off, we will assume that you will continue until the school year ends. Please let us know if you want to pull out from the drop off list.

## **Homework**

Homework has the highest priority during homework time. We expect all the students to do their homework by themselves. If students do not understand any part of their homework, we encourage them to ask the teaching assistant or teacher in the room. We are here to answer their questions! Once homework is completed, students will spend the remaining homework time working on BBLC's supplemental math and English papers. If parents would prefer that their child read or complete other parent assigned work (like piano theory or Kumon) instead of doing supplemental work, then please communicate this to the staff. The staff will review your child's homework for completeness. We will also select some random problems to review for accuracy, but due to time constraints we cannot review every problem or page. We appreciate comments and help from all parents. If you have any questions or concerns about your child's homework, please contact us via email [info@beebestlearning.com](mailto:info@beebestlearning.com) so we can work together to help your child develop the good habit of completing their homework each day.

## **Workshops**

We offer a variety of fun and educational workshops starting from September 8 - December 12, 2025, for additional fees, click [here](#) for the workshop information details. Workshop registration is NOW open. Signups are limited, and students are only enrolled once we receive BOTH the completed registration form AND accompanying payment. To register for the workshop, click [here](#).

## **Parent Teacher Conference via Zoom**

We will send a follow-up email invite for you to make a one-on-one Zoom parent teacher conference with your child's room teacher starting in October. The

tentative schedule is every day from Monday through Friday from 5:45 pm to 6:30 pm for every 15 minutes increment.

## **Referral Discount**

To extend our appreciation to currently enrolled families, we offer a referral discount when you refer another student to our center. After the new student's enrollment is confirmed and they have attended Bee Best for one month of our after-school program OR two weeks of our summer program, you will receive a \$50 discount on your child's tuition. This discount is applied one time for each newly registered student that mentions your name. Please also inform Director Jing of any student you refer.
