

Instructions on How to use iEnroll Pickup App

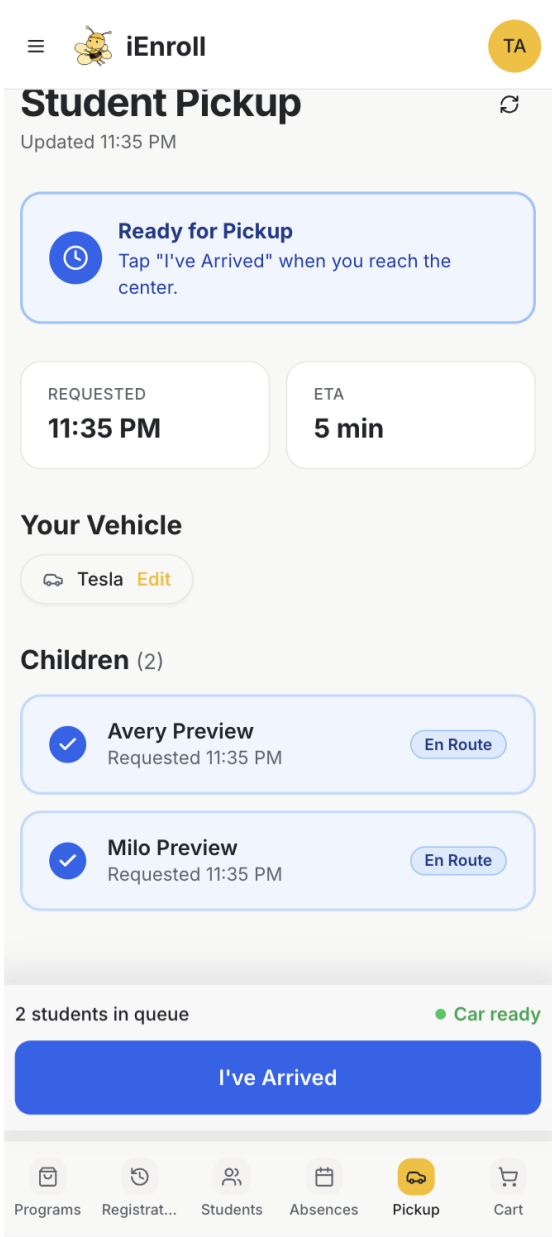

This application is used to help our staff quickly identify which car they should escort or direct your child(ren) to go to.

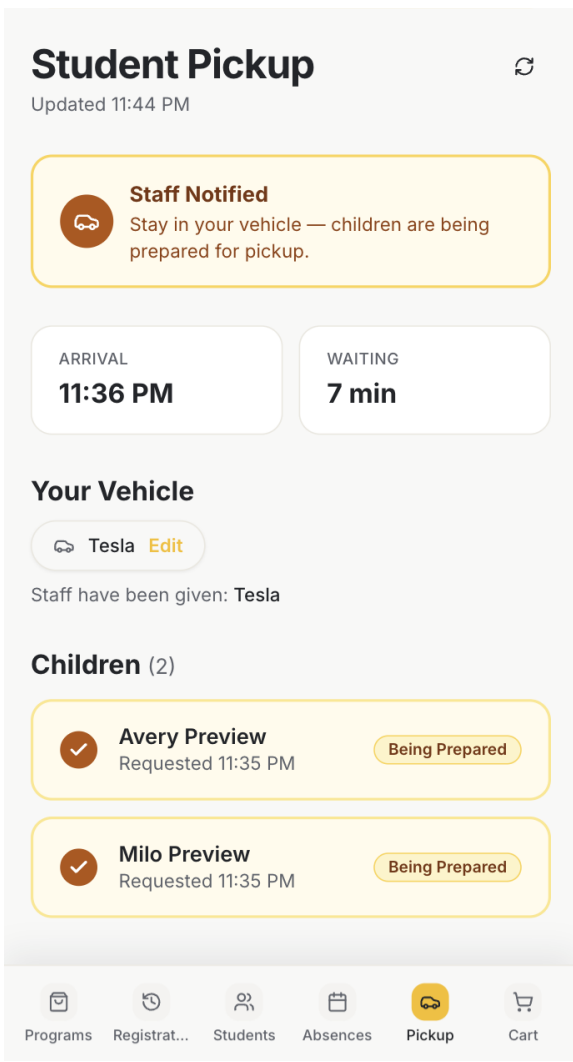

Action	Visual Aid
1. On your mobile phone, go to your web browser and type: beebest.i enroll.co .	

Action	Visual Aid
2. Select the pickup tab on the bottom right.	 The screenshot displays the 'iEnroll' app interface for 'Student Pickup'. At the top, there's a header with a menu icon, the 'iEnroll' logo, and a 'TA' profile icon. The main section is titled 'Student Pickup' and contains a 'Car Description' field with a placeholder 'e.g., Red Toyota Camry' and a note 'Make, model, and color so staff can identify you.' Below this is the 'Children' section, showing '2 eligible for pickup' and buttons for 'Select all' and 'Clear'. Two children are listed: 'Avery Preview' (Goes by: Ave) and 'Milo Preview', each with an unselected radio button. The 'Arrival' section asks 'When should staff expect you?' and features four time options: 'Now' (selected and highlighted in yellow), '5 min', '15 min', and '30 min'. At the bottom, it states 'No students selected' with a 'Select a child' link and a large 'Notify Staff Now' button. A bottom navigation bar includes icons for 'Programs', 'Registrat...', 'Students', 'Absences', 'Pickup' (highlighted in yellow), and 'Cart'.

3. Type in the "Car Description" (color and model of the car) and press enter, if it has not been saved already.	 The screenshot shows the iEnroll app interface for 'Student Pickup'. At the top, there's a header with a menu icon, the iEnroll logo, and a 'TA' button. The main section is titled 'Student Pickup'. Under 'Car Description', there's a text input field containing 'Tesla' with a clear button (X). Below this is a prompt: 'Make, model, and color so staff can identify you.' with a 'Done' button. The 'Children' section shows '2 eligible for pickup' and a 'Select all' button. Two children are listed: 'Avery Preview' (with a radio button and 'Goes by: Ave') and 'Milo Preview' (with a radio button). The 'Arrival' section asks 'When should staff expect you?' and features four time selection buttons: 'Now' (highlighted in orange), '5 min', '15 min', and '30 min'. Below these is a summary bar stating 'No students selected' and a 'Select a child' link. A large brown button labeled 'Notify Staff Now' is positioned below the summary bar. At the bottom is a navigation bar with icons and labels for 'Programs', 'Registrat...', 'Students', 'Absences', 'Pickup' (highlighted in orange), and 'Cart'.

Action	Visual Aid
5. Select "Estimated Arrival Time" and click "Submit" .	 The screenshot shows the iEnroll mobile application interface for 'Student Pickup'. At the top, there is a header with a menu icon, the iEnroll logo, and a 'TA' profile icon. Below the header, the title 'Student Pickup' is displayed. A section for vehicle selection shows 'Tesla' with an 'Edit' link. The 'Children' section indicates '2 eligible for pickup' and includes 'Select all' and 'Clear' options. Two children are listed: 'Avery Preview' (Goes by: Ave) and 'Milo Preview', both with selection checkboxes. The 'Arrival' section asks 'When should staff expect you?' and provides four time options: 'Now' (selected), '5 min', '15 min', and '30 min'. At the bottom, it shows '2 selected: Avery Preview, Milo Preview' with a 'Ready' status and a large 'Notify Staff Now' button. A bottom navigation bar contains icons for Programs, Registrat..., Students, Absences, Pickup (active), and Cart.

Action	Visual Aid
6. Click "I've Arrived" button when you have already arrived in the parking lot.	 The screenshot shows the iEnroll app interface for Student Pickup. At the top, there's a header with a menu icon, the iEnroll logo, and a TA button. Below the header, the title "Student Pickup" is displayed with a refresh icon and the text "Updated 11:35 PM". A blue box labeled "Ready for Pickup" contains a clock icon and the instruction "Tap 'I've Arrived' when you reach the center." Below this, two white boxes show "REQUESTED 11:35 PM" and "ETA 5 min". The "Your Vehicle" section shows a Tesla icon and an "Edit" button. The "Children (2)" section lists two children: Avery Preview and Milo Preview, both with "Requested 11:35 PM" and "En Route" status. At the bottom, it says "2 students in queue" and "Car ready" with a green dot. A large blue button labeled "I've Arrived" is prominently displayed. The bottom navigation bar includes icons for Programs, Registrat..., Students, Absences, Pickup (highlighted), and Cart.

Action	Visual Aid
